## Inward Correspondence

3.1.1 City of Yarra

Hi Cheryl,

I will be sending an email this afternoon which should provide further clarification. My understanding based on the information available is that from next week, up to 20 people will be allowed in each separate space but in groups of 10, subject to 4 square meter rule (I am not sure on the size of Coulson Pavilion).

DHHS website might provide some further clarity. I am sure the guidelines will get clearer once people (like us) start asking specific questions!

I am still getting up to speed with the changes, so if I learn more will let you know.

Hope this helps?

Deborah

Good afternoon Deborah,

Thankyou for your email. Whilst we are eager to return to our weekly meetings, we wish to do it in an inclusive way without having to turn people away. Can you please confirm how many people are allowed inside Coulson Pavillion based on the four square metre rule? From your email, my understanding is that it is 10 people per group.

Thanks,

Cheryl  
Seneschal (President), SCA Stormhold

Good Afternoon Cheryl,

From 11:59pm on 21 June, indoor physical recreation venues can open with up to 20 people allowed per separate enclosed space. This is subject to the four square metre rule, with up to 10 people per group or activity.

Information regarding changes to the *Restricted Activity Directions* can be viewed [here](#).

I am pleased to confirm that subject to club compliance with requirements and advice from the Victorian Chief Health Officer, Council supports resumption of indoor activities at Coulson Pavilion from Monday 22 June.

Prior to this each club needs to complete a [Return to Play Plan](#) using the SRV template and submit Yarra's [Return to Play Survey](#). The attached *Conditions of Hire* provides further instructions. You can also refer to previous 'Return to Play' emails or let me know if they need to be resent.

The Society of Creative Anachronism is classified as a community recreation therefore does need to complete the plan, although some of the questions won't be applicable.

Any questions let us know, otherwise we look forward to receiving the documentation and getting everyone back in action very soon.

Kind Regards,

Recreation Team

#### 5.1 Baron/Baroness - Brian/Miriam

Not much still happening unfortunately. The pandemic is ruining a lot of people's fun. Still doing the Friday night get together on Discord, although I missed out on advertising it previously. The Friday before the Symposium will be the KG meeting, so the Stormhold get together won't happen that night.

#### 5.2 Seneschal – Amelia

I hope everyone is keeping well.

I know everyone is looking forward to resuming however Stormhold will not be holding any in person SCA sponsored events, activities or meetings until August at the earliest. Any resuming of in person activities will be in line with guidelines from the Kingdom Seneschal and the City of Yarra as well as changes in Victorian restrictions.

On that note, I would love to hear people's ideas on the types of events that they would like to see when we resume in person activities.

#### 5.4 Reeve – Cecilia

Bank accounts as of 21 June 2020

Community Solutions one	\$2652.60
Cash Reserve Bonus	\$4684.29

Income

\$91.27 (\$66 of this was a payment reversal from Auburn High)

Expenses -

Refunds paid for cancelled Crown and Known World Symposium events - \$505

John Gardiner Reserve hire (payment bounced as indicated above) - \$66

Mistress Baroness Clara has been in touch re refunds on Square. BoD has had a fair bit to do insurance wise, as well as treasurer changeover and other business, but is now apprised of how urgent this is and will try to get some movement happening. I let her know I'm not sure if SCA policy will allow us to make o/s payments anyway, so she is also investigating alternatives.

#### 5.5 Knight Marshal – Magnus

At the moment we are still unable to conduct in person training.

I have been posting weekly fighting post to Facebook. As most of the content is on Facebook I have not been clogging the list with the posts.

Working on setting up an intro to heavy combat/fundamental skill/structured training for when training can return to Coulson reserve.

Missive below from KEM in relation to extension of authorisation due to current situation.

Grace period for authorisations:

Greetings to the combatants and marshals of the kingdom!

We have endured some dark times over the past few months, and that may continue for some parts of the kingdom, but with the solstice comes a return of the light, and the promise of a return to our joyful pastimes of killing our friends for fun.

During the restrictions we have not been able to run authorisations, so I issued an extension on any authorisations which expired after the 13th of March 2020. This extension will continue in Australia until 2 months after restrictions on relevant activities lift (either by SCA Ltd Australia or mundane authorities, whichever is later) in your area, or 3 months after for equestrian activities.

These dates may end up varying across the states, and I encourage event stewards and the marshals in charge of events to make time in event schedules for running authorisations ahead of major tournaments of any discipline.

For the Crescent Isles, since we can have events and activities as normal already, the two month period starts today. Any authorisation with an expiry date between 13 March 2020 and 21 August 2020 will be considered valid until the 21st of August 2020, or 21 September 2020 for equestrian authorisations.

Authorising marshals of all kinds, your role in making sure that your own authorisations are renewed in a timely manner is particularly important, as when your group runs out of the ability to make new marshals, it's a bit of a problem!

Yours, wishing everyone good health,

Angele de Savigny,

Earl Marshal

Good mistress Seneschal, here is my report as A&S Minister:  
  
There have been no crafthall meetings, so no A&S activities in person.  
  
Online, there are many things happening:  
Mistress Aliette continues her online dancing classes.  
Polit University is in the middle of its Month of Sundays.  
There are regular Bardic meetings on Discord, for Lochac, and for kingdoms all over the known world.  
Similarly, the Cooks Guild has regular-ish classes on the Lochac Discord.  
  
Gilligan, as A&S Champion, has had a marvellous idea for a competition for the next champion, which I will write something for and hash out details like where the entries will be presented and how.  
  
Other than that, we await the reopening of society and the Society.  
  
Yours in service,  
Brían dorcha ua Conaill, wearing the Arts and Sciences Minister hat.
